COPTIC AND SIERRA LIKE SIAMESE TWINS

TWO STEAMERS HAVE BEEN TOGETHER IN PORT OF ARRIVALS AND DEPARTURES.

The S. S. Coptic and the S. S. Sierra have been keeping each other company for the last three weeks. While not sister ships, they are almost as inseparable as the Siamese Twins.

Three weeks ago yesterday the vessels sailed from Honolulu for San Francisco. Both had arrived the day previous, the Sierra from the Colonies and the Coptic from the Orient. The Coptic got away about half an hour ahead of the Sierra. Both arrived at San Francisco on the following Monday morning, the Sierra about four hours ahead of the other vessel.

Both sailed for their respective outward ports six days ago from San Francisco. The Sierra arrived early this morning and the Coptic will arrive some time later today. The boats then part company, the Coptic going to the Orient and the Sierra to the Colonies. There have been no actual races between the two vessels, although they have kept together fairly well during the three weeks time intervening during their round trips to San Francisco.

Beautiful flowers and a variety of greenery made an appropriate background for the lovely ceremony of the bride, an exquisite gown of white silk and lace.

DE BOLT SENDS HIS JURORS OUT

WILL NOT HAVE THEM CALLED ONLY TO FIND THAT CASES ARE NOT READY.

Judge De Bolt this morning added to the swell of the chorus against legal delays by attorneys engaged in different cases now pending. There have been delays on the criminal side which in view of the circumstances could not be materially aided or rectified by the bench but the civil side advances different opportunities.

This morning Judge De Bolt was in his place and so was the jury, in order to hear the cause of Ahi and others against the New Zealand Insurance Co. It was the only case set for today and the respect of a day's work seemed imminent.

Then there entered one of the attorneys engaged who placidly announced that the action had been discontinued.

Judge De Bolt was annoyed—not that the action had been discontinued, but that the jurymen had been put to the annoyance and the Territory to the expense of an attendance for nothing. He expressed himself in good round terms on the matter of counsel discontinuing action at the last moment after juries had been summoned and wound up by excusing the jury until October 4th.

"In the meantime the court will take up the cases in which juries are waived," he said, "perhaps counsel will be able to have their cases ready by October."

Tomorrow at 9 o'clock the jury waived calendar will be called.

KONA AND KAU RAILWAY

BOLTE'S SUIT IN SAN FRANCISCO AGAINST THE WILSON-LYONS CONSTRUCTION COMPANY—WILSON'S ALLEGED FAILURE TO FLOAT THE BONDS RESULTS IN A SUIT TO COLLECT TWO SUMS OF \$2,500 AND \$23,750.

SAN FRANCISCO, September 2.—The Call says: An effort to float the new construction of a Hawaiian railroad is going up in the smoke of litigation. A suit was begun yesterday in the Superior Court by C. Bolte, as assignee of Jacob L. Coerper, against H. Wilson, Wilson, Lyon & Co. and the Wilson-Lyon Construction Company for the recovery of \$2500 alleged to have been due April 9, 1903; and \$23,750 alleged to have been due October 9, 1903.

The unpaid sums are included in the clauses of a contract made on February 9 of last year whereby Coerper transferred to Wilson \$2,720,000 worth of the corporate stock of the Kona and Kau Railway Company, Limited, of the Island of Hawaii, and all of his interest in the Kona Sugar Company. The transfer of these interests was for the purpose of financially rehabilitating the companies named. It is said that a new line was about to be laid for the railroad, but the company was embarrassed.

It was set forth in the complaint that Wilson agreed to put the company in proper shape and as soon as he was able to float the prospective bonds he would pay Coerper \$320,000 and the additional sums mentioned in the suit. If he did not succeed in four years in negotiating the bonds the promised payments were still to be made. Wilson defaulted in the first payments hence the suit.

HONOLULUANS ON THE COAST

SAN FRANCISCO, Sept. 8.—Captain C. J. Campbell returns to Honolulu by the Sierra today after an absence of three months spent principally in Northern California, Siskiyou County and that region. He indulged in trout fishing ad libitum, and was with a party of four which shot a bear. He modestly says the other members of the party gave him the credit of shooting it. Captain Campbell is much improved in health.

SAN FRANCISCO, Sept. 8.—It is reported among the Honolulu colony here that Judge and Mrs. Galbraith are coming back to Hawaii to live. It is said they do not like Oklahoma and intend to make the islands their home in the future.

SAN FRANCISCO, Sept. 8.—Mr. and Mrs. Charles L. Rhodes leave next Monday for the East, St. Louis, Chicago and Boston. They go by the Central Pacific to Ogden, thence by the Rio Grande Western and the Denver and Rio Grande by way of Salt Lake and what is considered the finest mountain scenery in the Rockies, and through the most interesting part of Kansas, which a generation ago was called the Great American Desert, over the Missouri Pacific.
